III - Expression

Dear Lucy,

Hope you're well. Just wanted to share something that's been bothering me. Mitch's job is making him work crazy hours. Last night, he fell asleep at the office. I called but he didn't pick up. He says it might happen often. I'm worried and I miss him. He says it's normal, but I don't know. What do you think?

Take care,
Abby
